**Vehicle Parking:** There are two Reef Day-Use parking lots. Campsites are primitive and somewhat small. Two vehicles will fit in each site area, and some campsites can accommodate three, the maximum vehicle length is 18 feet. Additional vehicles park in the overflow parking lot (call for information on the extra vehicle charge). For parking purposes, trailers are considered vehicles.

**Check-Out Time** is promptly at noon. Please let us know when your campsite is vacant. If you wish to extend your stay, you must re-register at the Kiosk by noon as long as space is available. If you would like to stay in the park later than noon on your check-out day, you must vacate your campsite and move to one of the day-use areas.
